## Description

This house is a typical Mallorquin house... big entrance door with foyer giving to the living room to keep the house cool all day.

On the ground floor is the cozy living room with and a very spacious sofa and SmartTV. Just as you go through, the kitchen is fully equipped (dishwasher, microwave, oven, Nespresso machine, Italian coffee machine, blender etc..) with a dining room sitting comfortably for 6.

Just next is straight on the patio where to enjoy a breakfast in absolute peace. The patio has a table for 6 and a lounge sofa up the little stairs.

Upstairs, there are three double bedrooms and one bathroom with a bathtub (there is one extra bathroom with shower downstairs too).

On the same floor, the master bedroom has a small reading room.

For those who may need, we can provide a traveling cot with sheets and a high chair.

Please ask ahead so we can prepare it!

Easy access to public transport and free carpark is 3-4 mins walk.

Valldemossa's temperature in Summertime is much more pleasant than Palma City's temperature, the house has a great breeze coming through and very fresh at night time.

It is our experience here !
