The Pool Area

Amongst the pine trees in the beautiful village of Esporles, this property is perfect for large groups or families to enjoy their holiday. Up to 12 people can be accommodated easily and comfortably.

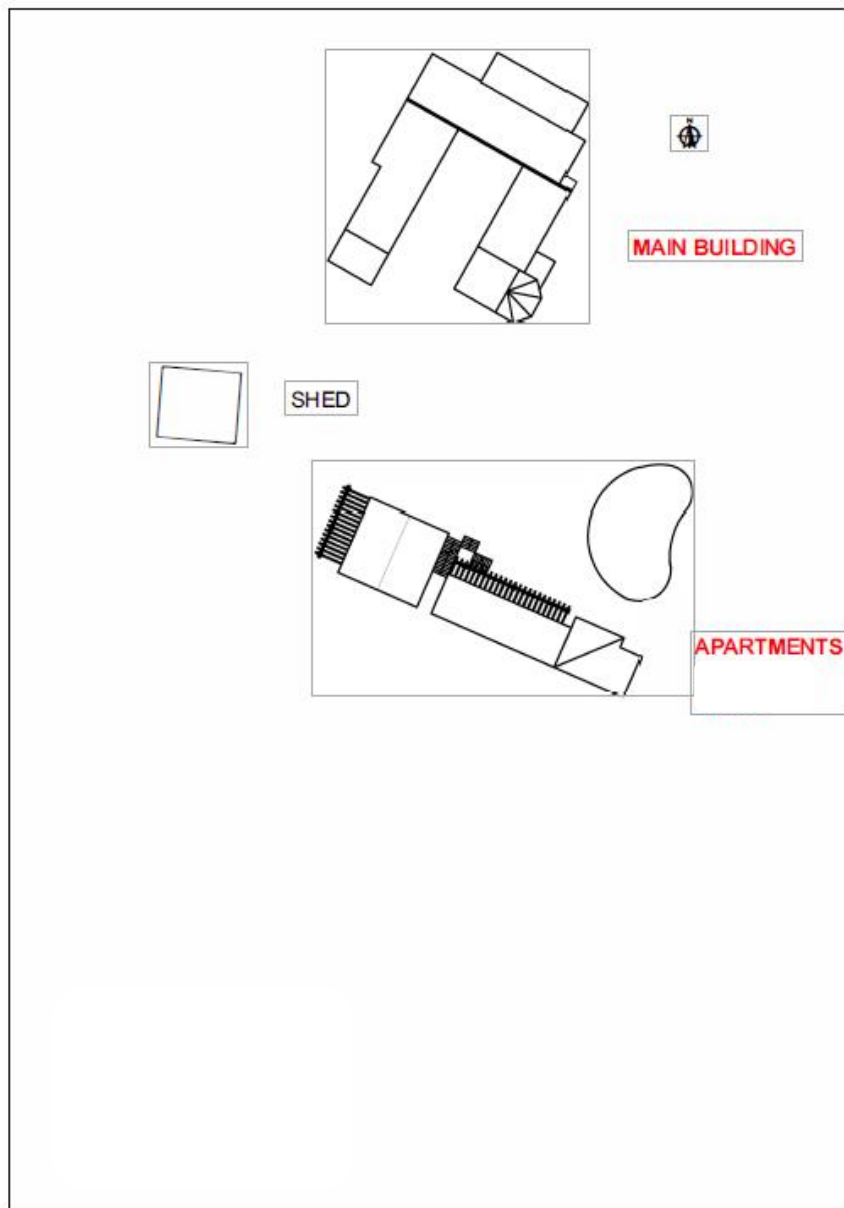

Less than half an hour away from busy Palma the Finca Especial is perfectly private, and quiet, with spectacular views all around.

At the first glimpse, this traditional Majorcan property seems like its own little village featuring a romantic centre square with a small well, various terraces and buildings as well as an extensive private pool area located on a lower level.

The exterior of the Finca Especial is set up wonderfully and offers an abundance of terraces and garden space inviting to lounge or dine. The private pool is spectacular with a small cove as well as a bar, barbecue and a pizza oven. There is plenty of seating and lounge chairs scattered around the pool terrace.

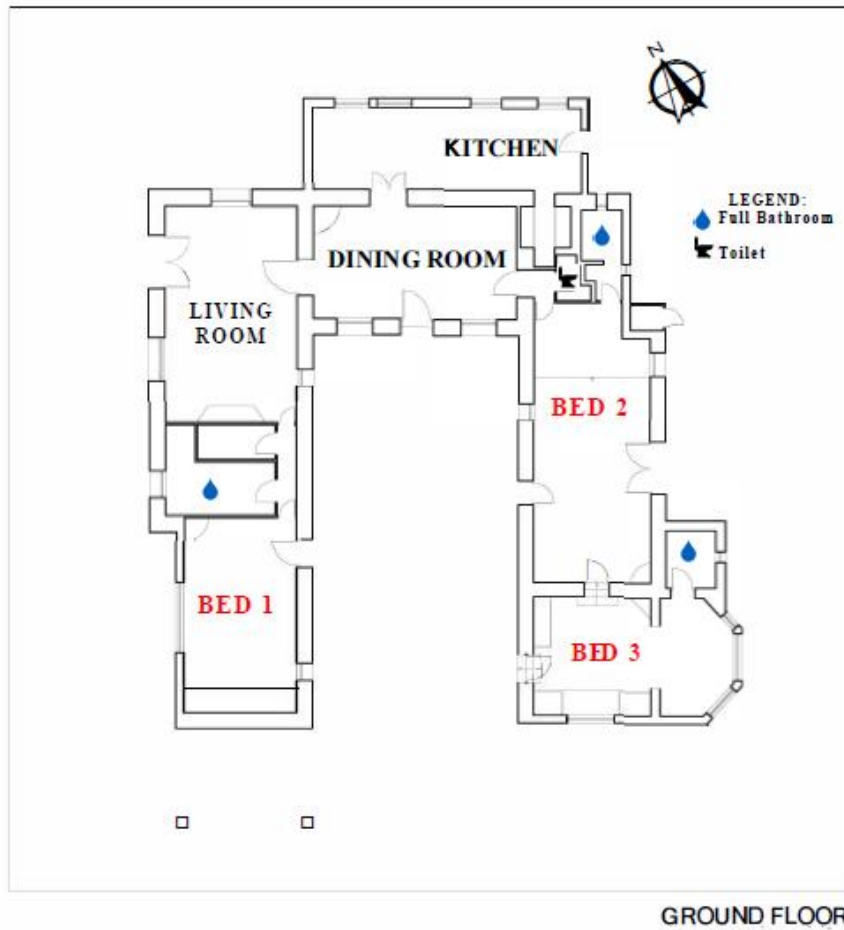

To top it all off, the views over the beautiful landscape surrounding the property are simply magnificent.
